

## What is a "Bark For Life"?

The American Cancer Society "Bark For Life" of Harrah Mini-Relay is an event that honors the care giving qualities of our canine best friends and raises money for the research, programs, and services that benefit both human cancer survivors and our pet caregivers.

Canine companions represent unconditional love, joy, security, compassion, and make no judgments of human abilities or appearances.

The American Cancer Society Bark For Life is a way for us to "take a bite out of cancer", smile, and make new friends—canine and human.

This event is sponsored by the Harrah High School NHS and the Harrah Friends of the Park
